Hey everybody,

This past weekend was an overall great experience for all that made the trek out to CVR, perfect weather, good food, new showers and facilities that came in handy for all of the campers! Racing was at it's best, several from SoCal dicing it up with the AZ gang was some of the best racing ever!

Let's do it again, so who is going?

1. Tyler Palmer #4
2. Jim Richmond
3. Jim Hicks
4. Dave Hauk
5. Rob Giorgio
6. Rob Davis
7. Hal Dunn
8. Darren Griffith
- 9.
- 10.

Thanks for the update Jim H.

I'm finding out who is definitely going from AZ and will post asap.

I will probably be there, but without a race car:(

Charlie, is your car ready for race'n? Have a safe trip to CO, looking forward to seeing you soon.

Hey Norm, my car is close to ready but it needs a track day to sort out any potential issues. It hasnt been on the track in over two years.

New seat, belts and tires are ordered. Still gotta change out all the fluids, check alignment, belts and hoses.

I saw the videos of Chuckwalla and it looks very fun.
