944 Paddock at Nats?

944 Paddock at Nats? Posted by dpRacing Dan - 23 Oct 2014 12:51 Hey guys, wasnt sure if everyone was planning on pitting together as a group. If so can you please save space for me? What time/day is everyone rolling? I'll be arriving Thursday, not sure exactly what time. Re: 944 Paddock at Nats? Posted by 944Racer72 - 23 Oct 2014 14:48 Haven't seen a map yet but we should all try to pit together. I carry extensive spares and every tool known to man for those coming from further out who may not have the local resources. There are a few parts cars around too. -----Re: 944 Paddock at Nats? Posted by cbuzzetti - 26 Oct 2014 10:32 I thought NorCal normally trys to pit us all together anayways. But a 944 paddock would be great. I will have some spares as well and either sushi to share or fish tacos! Looking forward to a great weekend of racing.

Holy moly. Coughin up the dough huh?! Wish I could- but that price is rediculous. Anybody else testing? Anybody have any in-car video? Havent driven here in like 8 years?

think the testing is \$395 for 4 sessions. So yeah its steep.
took video from last weekend but haven't down loaded yet.
Here is one from June in my Spec E30.
f the link doesn't work you can find it on Youtube Bajabuzz1
