??
website says Solo group B is still available. They're not having a race group, so they added a Solo group.

Hmmmm. What is 'Solo B'? like HPDE 3-4?
If it isn't full on Friday, I'm registering.

School = HPDE1
Solo = HPDE2
Point-by = HPDE3
Open = HPDE4
Since there's no race and no school at this event, they added an extra Solo group, Group B.

They don't run any groups together like NASA does with HPDE 1 & 2.

The point-by is full though. I may do Solo on 2/1 and point-by on the 25th. Hopefully it doesn't sell out by Friday.

I registered for the 2/25 event at Laguna Seca in the 'point by' class. Can't wait.

Who else is doing this? \$179 is too good to pass up for Laguna Seca. The next one isn't until September.
