

Thunderhill May 18 with GGLC

Is anyone down for T-hill with the Golden Gate Lotus Club on May 18th? It's a Tuesday. Blowing off work to drive fast is always fun. I did this with them before and there's a TON of track time! It's \$165 for non-members.

I'm considering it, and would love to have some more 944's out there.

Just a thought.
