

itching to race

Posted by rd7839 - 18 Dec 2010 18:47

I was just watching my old video's of some fun battles with Jerry and Sid and now I'm itching to race. I'll meet any of you guys in the parking lot of golden gate fields tomorrow morning for some fender rubbin'. Or let's kill two birds with one stone, Westfield Mall, Santa Clara, or Costco, grab a shopping cart and do some christmas shopping and then some cart racing! I can outpush any of you(no cheater carts allowed)!!

LET'S RACE!

Discount UMIGO tickets are sold at Livermore Costco. Something like \$50 gift certificate for \$35 or something like that. I can check and report back if you'd like.
