TSB racing is trying!! We'll be there, whether or not we'll be able to run the car is still to be determined.

Racers:

It sounds like we should have a good turnout. It will be a great follow-up to the fun we had a couple weekends ago at Buttonwillow.

John raises a good point in suggesting that we rent garages. We did this before, and were able to get our group garaged next to each other. That was fun, and it's a nice place to have a garage because the proximity to the racing is better.
