

NASA Race - Willow Springs - March 10-11

Posted by ChuckS - 22 Feb 2018 15:38

Haven't seen any activity here yet.

Only 4 of us have registered as of Thursday Feb 22.

To pay the lowest price, you have to register by Friday night Feb 23, so get registered soon!!

So, who is going?

Does any have a schedule or can point me to where one can be found for this weekends fun??

I'm close enough that I was hoping to make it out for at least one of the days to see the 944 spec class run.

Thanks.

Had a chance to head out on Sunday and check out some of the action, and boy was there some!

Look forward to getting my car wrapped up to come out and join in on the fun. It was a pleasure meeting some of you and can't wait to meet the rest of the folks.

Thanks again for making me feel welcome!

This link is to Sunday's race. It is uncut so get the warm up lap and cool down lap. A very tight battle between John, Chuck and myself.

Had the pleasure of seeing the action unfold in person. Looks like great fun, great racing and great people.

Cant't wait to join in!!
