

PCA Club Race Buttonwillow May 21-23

Posted by JerryW - 08 Feb 2010 04:53

PCA-GGR are holding a Club Race at Buttonwillow May 22-23 with Central Coast holding a DE the Friday (21st).

I'm coming down with one other NorCal driver running SP1 - Any of the So Cal guys with PCA Licenses going to join us ? (note if you have more than 6 NASA races under your belt you qualify for a provisional PCA license - just cash and a medical required)

Last year **the** race to watch was the SP1 with me and Nick P according to all that watched from the tower. Lets see if we can get more SP1 action going !

Hi Jerry, I will be there Friday only as an instructor for PCA Central Coast. NASA has a race at Willow Springs that weekend, so that is where I will be.

Let me know if you will be there for Friday.

I'll probably be there for the Friday - I don't have enough time at Buttonwillow yet !

NorCal also has an event that weekend so it will just be a couple of us.
