

88 924S Race car - \$6000 - Phoenix Arizona

Posted by joepaluch - 30 Oct 2012 10:11

1988 924S 944 spec class. Garage queen due to driver retirement w/medical issue. Custom welded-in roll cage w/driver side bars, Momo wheel w/quick release, Sparco (worn), lightweight mirrors, stainless steel tri-wye header, cone intake, phone dial wheels. Will throw in extra set phone dials & set of narrower phone dials for rain tires.

Weltmeister sway bars F & R. Low race milage frt pads, transmission with best 5th gear, & all 4 wheel bearings. AMB transponder hard wired.

Car garaged as-put away after last race (dirty), some graphics faded. Simpson belts out-of-date; can be re-webbed.

Log books NASA, SCCA, Pro Auto Sports.
