

924 S ROW short fifth transaxle FS:

Posted by boostfeen - 14 Mar 2012 10:36

I have another one of these for sale out of a 1987 924 S ca car with 118k miles I drove car it shifted fine into second with just a slight hesitation on old oil. Never tracked out of street car.

QK open diff code with short fifth gear ratio comes with hardware, coupler and linkage, great shape overall very clean. No rust or corrosion

\$375 shipped CONUS or \$275 local pickup welcomed
