WTB late offset Front and	rear	control	arms
Posted by chuzzetti - 17 Jul 2013 07:57			

Hey all, I am looking for a complete set of late offset (87) control arms for the front and rear.
I would like to have theses for spares at Nationals.
If anyone has a set in Ca or is comming to the Auto Club race in So-Cal. please bring them.
I cant be at the race but maybe one of the guys can bring them to Miller.
Thanks,
