Posted by oldbiff - 30 Apr 2014 10:41

I have just taken out this 5th gear set from '88 944. 0.829 I would like to put the 0.729 back in it's place. I heard you all might be interested? I actually have 2 sets. \$150.00

FYI Biff and I did a swap last week and it was a smooth transaction.
