For Sale: Brand New Fire Suppression System Posted by Litespeeds - 29 Nov 2016 09:01
I have a brand new fire suppression system that I bought from IO Port Racing that I never used. This retails for \$439.95 and I will sell it for only \$300 if picked up in San Leandro, CA or I can ship it for \$325. Please email me at

bought it around 2009 or 2010. You can always call Ken at IO Port Racing and ask him if there are any changes in the system from then till now.
