

"Wheeler Dealers" TV Show: 944 Track Car

Posted by Weston - 25 May 2009 06:44

I came across this British TV show that took a 944 Turbo and made it into a track day car. It kind of makes me want to build another 944. Part 2 shows some suspension stuff and how to adjust front camber and rear ride height.

Part 1: videos.streetfire.net/video/Wheeler-Deal...Porsche-1_683243.htm

Part 2: videos.streetfire.net/video/Wheeler-Deal...Porsche-2_683244.htm
