

## **What day do you plan on arriving at Miller?**

The schedule isn't firm yet so there may or may not be a 944 spec "sprint race" on Friday. I'm trying to decide if its worth the \$185 cost for test & tune on Friday. When are most 944ers planning on getting to the track? Thursday so you can run on Friday or get there Friday to run Sat & Sun?

Right now, I'm planning to get there Friday late afternoon / early evening. It would be nice to get a test day since I've never been to Miller before, but \$185 is a bit steep for one day.

I'm planning on leaving Thursday morning since I need to be there for HPDE 1/2 which is only being run on Friday currently.
