| I see three entries for GTS1 that are chassis eligible for our class (2 944s and a 924S), are any of these potential recruits into our ranks? If its something simple like chip, brakes, etc lets go after em and expand our ranks. Judging by times, I would say if they are GTS1 registered, they are already close to 944 Spec rules. I have a set of old RRs Id be willing to donate. |
| Anyone else waiting to sign up? |

Re: Pot-O-Gold Rush, March 14-16, Road Atlanta Posted by FastTater - 26 Feb 2014 04:06 I am planning on being there. What about Victor? ______ Re: Pot-O-Gold Rush, March 14-16, Road Atlanta Posted by AgRacer - 26 Feb 2014 20:56 List updated. If we get 2 more, everyone is eligible for Tire Money. Will there be a bet this time? Who's hosting the pit party Saturday night? Re: Pot-O-Gold Rush, March 14-16, Road Atlanta Posted by AgRacer - 27 Feb 2014 06:06 There will also apparently be a DynoJet at the track that will be open to use for \$75 if anyone needs to check/verify power. Runs can be purchased from the registration page. I may dyno mine since I rebuilt the head after my last one.
