|--|
| B weeks out from my closest race, wanted to see if anybody else was planning on going. Only 2 signed up right now. Yet another track I haven't been to before in this car. I'm up to 10 tracks Ive raced at in this car in 2 years, not one of them twice. |

| Awesome! This track is the closest to me so Im looking foreward to a short tow there and back. Unfortunately, I decided to schedule night operations next week, so I might look even more pale and like a zombie out during the day that week end. |
