It's Fall and as we look back to January it is hard to believe we have visited 7 different tracks over the course of 11 separate events. Barber, AMP, AMS, Roebing, Road Atlanta, NCM and TGPR. Looking back at this year, we are very proud to say that if you had an insatiable appetite for tracks, we delivered the top venues in the Southeast. Don't stop yet. We have 3 killer events left and they are coming up back to back to back.
