---

"NASA Texas will be starting a Spec 944 class for the remainder of the 2010 season starting at the next round at MSR Cresson March 13th & 14th.

I will be headed this program up any questions please direct them my way. Rene Molina

This e-mail address is being protected from spambots. You need JavaScript enabled to view it

The class will be eligible for all 944 spec contingencies & some Texas contingencies will also be announced soon."
